Cohiba

Symbolizing the good life, Cohiba cigars are the most well-known luxury cigars in the entire world. Known for extravagant taste and complex flavor, true cigar enthusiasts know Cohiba to be one of the best cigar brands around. Originally crafted in the streets of Havana, Cuba, these classic cigars are now manufactured in the Dominican Republic, and these premium handmade cigars are just as delicious and artistic from the beginning.

Cohiba stays on top of the industry trends, and even has a blend crafted by Jay-Z, Cohiba Comador (https://www.cigarbid.com/shop/?f_LineName.raw=Cohiba+Comador) that epitomizes the definition of top-shelf luxury. Cohiba Nicaragua is a full-bodied blend of finely aged tobacco leaves creating a bolder profile than Cohiba's other classic blends. But of course, the most popular Cohiba cigar has always been the original. With five years of research and study, Cohiba Red Dot (https://www.cigarbid.com/shop/?f_LineName.raw=Cohiba+Red+Dot) is the perfect replica of the original Cuban Cohiba. It's 90+ rated countless times, and its undeniably creamy and smooth. You can shop all of Cohiba's fantastic blends here, at CigarBid, for the best prices available.
